“ *Peggy was a very caring person and I will remember her always. When my mom was in the hospital she sent a gift of lotion and other things that would be so helpful in the comfort of a patient. May God comfort all that knew and loved her. RIP Peggy.*

“ To Harold, Liz, and the Family: I have very fond memories of Peggy. As her former Supervisor, I remember her enthusiasm and eagerness to care for others. She always put her patients first and gave the best of care. She was always neat and timely and took pride in her work. We had many long conversations. We also laughed and cried together many times. I will miss her and our times we shared. I can just see her in heaven making sure everyone is clean, fed, and comfortable. My condolences, Ann
