“ *God Bless you all in your loss. It has been many years since I have seen any of you but I spent a lot of time when I was young hanging out with Rodney. Every time I would come around the family Peggy always made me feel like I was part of the family. I think she wondered what kind of messes we were making or what kind of trouble we were getting in but just like a true mother she was just concerned. I miss those times when all of us were younger. One thing I can say about your mom is that she loved all of you and it showed in her caring and concern she had for you guys. I know right now memories of her are hard but one day those memories will be how she lives on in your heart and hopefully they will soon bring smiles when you think back to the wonderful life you shared. Sorry I could not come. God be with you and comfort you at this time. Love you all. Tammy*

“ My heart broke when I heard of Aunt Peggy's passing. I just remember how strong a woman she was and how she used to love to cook and how I was always amazed that she never measured a single thing she cooked. I hope that she is at peace and I am sure that mawmaw and pawpaw and uncle Kirby Uncle amos and Daddy were anxiously waiting her arrival in heaven with open arms. To Uncle Clell,Debbie,Rodney and Steven I send my deepest thoughts to you during this difficult time,
