“ *What a lucky family we are! There were 20 Flanary grandchildren and all were made to feel special, not only by our grandmother and parents, but by our aunts and uncles. Their influence is evident in the parents that we have become. The only "problem" is that their passing is that much harder to bear: My dad Jess, Bud and Jean, Nelie Ann, Tommy, Betty, John B and now Peg. Like the others your wife, mom and "Granny" will never be forgotten. She was always ready to play, to teach us new card games; to help with a craft (She sadly had to admit defeat with her greatest challenge: my quilting endeavors); or to freely give advice and opinions:). I believe that one of her greatest joys or passions was to price, create and critique recipes. What I know for certain is that whatever she said or did was with spirit, a spirit that will be remembered in a quilt, a recipe, a card game, or a shared joke. We grieve with you Raymond, Terri, Eugene, John and Ashley. I hope you and her siblings find comfort in the memories that she gave to all of us.*

“ Dear Raymond,

*I am so very sorry about Miss Peg'passing but we have to believe that she will be in the best shape ever now up there reuniting with all her loveds ones gone on before. It was time for her to take that trip, Raymond but she left you her love and memories which will stay with you until you're ready to go on that trip yourself. You've been a wonderful husband to her and loved her through it all. I wanted to be there for her service but I've messed up my back and I can't move too much but I will see and talk to you later.
I love you.x*

“ My memories of Peggy is that she had a great sense of humor and a wonderful smile. I really enjoyed seeing her. She was so loved by my brother Jim and I don't know that she ever knew how much she meant to him. She always made him feel like he was special, which he was.

You hold a special place in my thoughts and prayers. May God grant you comfort and peace in the days to come.

“ When I moved to Grayson Avenue about 40 years ago, I wasn't happy about the move. It appeared to me that I wouldn't find any friends my age. I was wrong. I found friends my age as well as a good friend next door. Peg looked out for me when my mom was at work, even though I always didn't know it. We were both afraid of thunderstorms and we comforted each other until it was over. She taught me about crocheting and crafting. She also taught me about my grandmother Kate and what a great woman she was. She taught me to respect my grandmother as well as my mom. She helped me to see all of the things mom was doing to keep the family going in difficult times. I will greatly miss her. I know that she is in a better place without pain. To Terri and family, I just want you to know that she meant a lot to me. Mom and I will both miss her. May God bless all of you.

So sorry to hear about Peggy. I have known her my entire life and loved her dearly. I have not forgotten the 5th grade when she scared me to death for she was a teacher that you had better listen to what she had to say. I respected her and knew she was my friend I always got a hug from her after I was grown each time I saw her. Our deepest sympathy for your family. May God bless and comfort you in this most difficult time. Will be praying for you.

“ Raymond, Terri and Family -

I am so sorry to hear about Peg's passing. From my earliest childhood memories, I remember Peg as our game-playing aunt. She was always up for a good game of Rook where she always pounded us into the ground; laughing and joking.

I loved her apple cakes! She never missed making one for me on the birthdays of my youth; and always called to say "come get your cake!" when I visited from Florida.

Sharon remembers the many times that she took to teach her to quilt, and is reminded of Peg each time she uses one of her hand made dish cloths. We know she will be missed. God's peace.

*I'M FREE
(Author Unknown)*

*Don't grieve for me, for now I'm free
I'm following the path God laid for me.
I took His hand when I heard Him call
I turned my back and left it all.*

*I could not stay another day
To laugh, to love, to work, or play.
Tasks left undone must stay that way.
I've found that peace at the close of day.*

*If my parting has left a void
Then fill it with remembering joy.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.*

*Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.
My life's been full, I've savored much,
Good friends, good times, a loved one's touch.*

*Perhaps my time seemed all too brief
Don't lengthen it now with undue grief.
Lift up your heart and share with me*

God wanted me now; He set me free.

“ *May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5*

“ *Peggy was my 5th grade teacher at the old Richlands Elem. (Mullins Building now). She was good to me--fussed a lot about me not eating-she said "You don't eat enough to keep a bird alive". She was eating cottage cheese one day. I had never seen any before and didn't know what it was. I thought at the time how awful it looked and smelled. Through the years I have grown to love cottage cheese. I also am a retired Elem.teacher. God bless and give you the peace that only HE can give.*
