“ *I am in South Carolina now with Dena who is ill and could not be there but I want all of you kids to know that my heart, thoughts and prayers are there with you at this sad time. I loved your Mom and will always cherish the childhood memories of us all together up till the last day Kate and I sat on the front porch with her and laughed and talked. She was a sweet and very special lady and she loved you all very much and was so proud of all of you. It is so hard to let go but know that she is an angel now looking over the family as she always did. Much love to all of you.*
