“ I want to say how sorry I am for the loss of a wonderful, strong, and courageous woman. She never let anything get to her if it did it never showed. She would always find the good in everyone and anything that came her way. I thank God that he gave me the chance to know her and to love her. She is so very special to me. She was so full of life. She loved her family so much especially you Trevor. You were her sunshine. I wished I could have meet you and person but through Penny I feel like I already have. My heart is breaking for you guys. I love you all. I pray that God will comfort you all and help you get through this storm. Crissy Ball

“ I'll never forget when I first went to work at Lowe's, Penny was the first to welcome me and show me the ropes....I've found that getting things accomplished isn't nearly as important as taking time for love.....Penny gave of herself to those she encountered. She will be so missed...She's waiting with the others for our arrival.....Blessings in Christ to each of you!!! Love never fails ?

“ Mrs. Gibson, Beverly, Terry and Terry, Jr.
we are saddened to learn of Penny's death. Although she suffered she now is at rest and will suffer no more. May God hold each one of you close and bring you comfort as only He can. Penny will always be with you in your heart! May the words of this following poem bring you inspiration and comfort.

Don't Mourn For Me

*Please don't mourn for me;
I'm still here, though you don't see.
I'm right by your side
each night and day
and within your heart I long to stay.
My body is gone but I'm always near
I'm everything you feel, see or hear.
My spirit is free,
but I'll never depart
as long as you keep me alive in your heart. I'll never wander out of
your sight--
I'm the brightest star
on a summer night.
I'll never be beyond your reach--
I'm the warm moist sand
when you're at the beach. I'm the colorful leaves
when fall comes around,
And the pure white snow
that blankets the ground.
I'm the beautiful flowers
of which you're so fond--
The clear cool water in a quiet pond. I'm the first bright blossom
you'll see in the spring;
The first warm raindrop
that April will bring.
I'm the first ray of light
when the sun starts to shine,*

*And you'll see
that the face in the moon is mine. When you start thinking
there's no one to love you,
You can talk to me
through the Lord above you.
I'll whisper my answer
through the leaves on the trees,
And you'll feel my presence
in the soft summer breeze. I'm the hot salty tears
that flow when you weep
And the beautiful dreams
that come while you sleep.
I'm the smile you see on baby's face.
Just look for me,
I'm everywhere !*

*We will have you in our thoughts and prayers.
Love,

“ I do and will miss Penny very much. She was a fun lady to be with. My son, Trevor, always wanted Penny to be at Lowes so that he could play with her. She always loved seeing children in the store. We will never forget her. We are praying for the family and loved ones during this time of sorrow. God has seen fit to take her to a better place. In a little while we will see her again.

“ Penny was a great lady and I am going to miss her terribly. She was a friend to me, my family and a forever friend to my mom. I am happy that she is in a better place and is no longer suffering but the loss is very painful. She has touched so many lives and was an inspiration to many. She was definitely one of a kind. I know she has touched my life and she will never be forgotten. I pray God's hand will be with her family and friends in the next few days and weeks to come.

So very sorry to hear about Penny. I did not know she was sick until Beverly told me a few weeks ago. I can remember that wonderful smile that Penny always had when I saw her. Cherish the memories and lean on God and He will help you through this difficult time. May God bless, comfort and strengthen you. Will be praying for the entire family. Love from an old friend. Pat

“ Terry & "Little" Terry,

The angels are always near to those who are grieving, to o whisper to them that their loved one is safe in the hand of God.

Although it is difficult to see beyond the sorrow, may looking back in memory help comfort you in the coming days.

May the Lord be with you both.

All my love

Linda
