“ *Marcella, Becky and Family,*

*I am so sorry for your loss, I know it is a difficult time. Aunt Phyllis, my mother Florene, and Aunt “Johnnie” – Mary Virginia – were important parts of my very early years in Richlands. They were three of the kindest, most selfless and loving people I have ever known. I cannot imagine better examples of how to be a considerate and compassionate human. They exuded the truest form of love. But Phyllis, as the youngest, was for me so full of fun. I felt that she was closer to a child at heart. Quick to laugh, quick to embrace, she was always smiling and ready for fun. You are so fortunate to have her as your mother. May peace and fondest memories be with you all.*

“ *Becky & Marcella, I don't know if you remember me or not but I worked with your mom in the 70's at the Richlands Utility Department. She was my mentor and such a great friend. We stayed friends even after I left Richlands. I will always remember her for her accepting and loving spirit. She was such a gentle soul. I loved her dearly. I will pray for you all and the family. I know you miss her dearly. Love and grace to you all.*
