“ *Mr. Pierce Maxwell was a unique and very caring man. His sense of humor and his love of life always put a smile on my face. He always knew how to liven up a conversation and bring laughter to a group of people. I met Mr. Maxwell because his son Robbie and I went to school at VA Intermont College and became friends. For over the past thirteen years, I have looked up to Mr. Maxwell with admiration and a deep respect of this courageous man. I feel honored to have known him.*

“ *Pierce was a bit younger than me but I remember him as a shy little boy whenever Uncle Drayton and Aunt Josie would visit my Grandparents at Maxwell.
He will be sorely missed by all who knew him.*
