“ Gail, never was afraid when you were behind the wheel.You took care of us as if we belonged to you. You would throw those chains on and take us down Busthead like no other. When it flooded in Cedar Bluff you drove us thru the water which was up over the tires but we always made it home without any fear. Thank you again sweet lady. You've earned your wings fly high! Love, Rebecca💜

“ *Very sad to hear of Gail's passing. She's been such a big part of our lives over the years, with her and My Mom being best of friends. She was very good about visiting Mom in the nursing home, up until she wasn't able any longer. I appreciate that. Gail, you will be missed for sure. I'll always remember the trip you and I took together years ago. Thank you for being the best friend to my Mom. Due to the circumstances, I won't be able to attend the service, but you al will be in my thoughts and prayers. Love you Gail, now and always. RIP Dear lady.*
