“ At a time like this words can't say the things we want them to say. But we want you to know that we are thinking of you, praying for you, grieving with you, and honoring the many precious memories of your mother. May the good Lord comfort the family in this time of sorrow. We'll miss her.

“ To the entire Jackson Family:

I am saddened to hear of the passing of Mrs. Jackson. She was like a grandmother to me growing up. Debbie and I used to get into all kinds of mischief and she was always trying to keep us straight. I can remember her always having marshmallow creme and peanut butter for us to snack on. I often think of her and all of you and when I come home, sometimes I wish that we could go back. I pray that God will comfort you during this most difficult time. Miss and love each of you, Leigh.
