“ Randall was always smiling and trying to make light of difficult circumstances. I never had the opportunity to meet any of his family but please know my prayers are with you. Randall helped me in many building projects and was always the jokester when we worked together. I will always remember his laugh and smile. I would so much like to be at the memorial service but will not be able to because of a Good Friday service I am conducting in Bluefield tonight. May God bless and comfort each of you during this time of loss.
