“ *Randy was such a sweet person .I remember when he and his family attended Maple Grove Church years ago when they were all young children (him and his siblings) with his Mom and dad , and then in the later years him and his Mom attended Maple Grove Church and he set on the church pew with me and Willard . Willard called him his church buddies and they talked about One of Randy's most cherished collection of knives and even traded a few . They did this before service started (not during) we thought a lot of Randy and always looked forward to our church seat buddy and that smile . Go Rest High On That Mountain Randy Mitchell ❤️*
