“ *Rosa,*
Please accept our condolences for the lost of your son. We can't say we know what you are going through because we have never lost a child. Just remember the Bible says, "Blessed are they that mourn for they shall be comforted" and we know God's grace is sufficient to get us through anything we face. If we can help in any way, please give us a call. We are praying for you and your family that God will bless each of you and keep you in His tender loving care.
