“ *In loving memory of my cousin. We grew up together, running and riding horses in the orchard, catching minnows in the creek for fishing. He called or texted me often. I would talk to him about God, God's gift of salvation and encouraged him to make things right with God and people.*

I would like to say thank you to all the people that stepped up to help and support Bokie in his finally days on this earth. A special thanks to My aunts (Nellie Royal and Mary Miller) and others that stepped up as well that loved him and took dinners to him often and took him to doctors appointments. He was humbled and thankful for their help.

He loved his grandchildren and children and brothers and nieces very much! He was always talking about them. And he was proud of all their accomplishments with school and work.

Rest In Peace cousin!
