“ I find myself in a weird situation Cuz because I am one of a few who remember you when you were a tiny baby on Red Root Ridge. I remember coming to see you and holding you when you had just come from the hospital. I remember you growing into a little boy and I guess that's why we got along so well as adults. People may say a lot of things about how you had issues but so do I and so does every other person on this earth and everyone reading this. Sometimes people can't see past a problem to see the heart behind it. You had a huge heart Raymond Joe I wish people had of took the time and effort to see that. They missed an amazing heart. You always respected and was nice to me. I owe you that same respect in return. RIP Buddy.
