“ *My Aunt Reba was the finest example of a Christian that I have ever known, I remember her praying and reading her bible , My cousin Lynn and I were always good friends growing up, and Aunt Reba made sure when we were teenagers that Lynn always had to take me with her when she sent out, I guess she thought we would get in less trouble together. The one thing I was sure of everyday of my life is that Aunt Reba prayed for her family everday, and I always felt covered in her prayers. She made me realize the power in praying, so it is my hope that God will remind me to pray for my family each and every day just like Aunt Reba did. I rejoice in knowing Aunt Reba has been welcomed home and is now with Jesus.*
