“ Molly,  
*I can't begin to express how saddened and sorry we are to hear of the loss of your Mom. Becky was a wonderful person, so full of life and she always made you smile. My family loved her and she always treated my children as if they were hers. I will always remember the good times we had thru the years of basketball and volleyball games. Molly, you were the light of her life and she was so very proud of you. She raised you up into a beautiful young women, inside and out, and she will always shine through you. We will keep you in our thoughts and prayers.*  
*Love, Diane, Lindsey, Brad & Nikki*

LA

“ Molly,

*To mention your name in my mind I see a little barefoot girl with stripped leggings and paper dolls. To read about your basketball achievements still in my mind I saw the same little girl. Last night as I walked up that isle I saw the beautiful young lady you have become. You have now experienced the toughest game ever--the game of life. Know what--I see you have worked at it and prepared yourself to be a winner at that game too. I am so proud of you. If you ever need to talk, need a friend, want to eat potato soup or kale give me a call. I am so proud of what you have grown up to be and whether I want to see it or not you have grown up.*

*Love and prayers.*

*Lee Anne*

“ Julie,

*You and your entire family are in the thoughts and prayers of the Tann family. You know my heart and spirit are with you now and always. I pray that you will know the peace, comfort, and love of God like never before. Rest in Him and draw strength from Him and from your loving family. His grace is sufficient for you all and His strength is made perfect in our weakness. Be encouraged by knowing that the Lord gives comfort to all those who mourn and provides for those who grieve; He bestows on you a crown of beauty instead of ashes, the oil of gladness instead of mourning, and a garment of praise instead of a spirit of despair (Isaiah 61:1-3) I love you and am here if you or your family need anything.*

*Love always,  
Nina*
