“ I will always cherish and hold firmly to my memories of Becky- such a bright spot as well as friend and mentor as I started my nursing career. She was always positive, smiling and came with a unique witt and sense of humor and was never short of compassion. We shared the same birthday (Feb 14th) she was special and loved.

“ *It's so hard to believe that a person who was so full of life is gone. Becky was one of the smartest and kindest persons I knew. She was a wonderful nurse but a better friend. I will miss her.*
