“ Jimmy, I am so sorry to hear about your sudden loss. On the day of Beve's funeral, I took the liberty to stop at the home of the family. I asked Vonda what had become of you and LeeAnna. As Vonda was filling me in whereabouts of you, two, I was surprised to learn that LeeAnna had returned to the farm. In the back of my mind, I thought about visiting her someday. I was not aware of her death until I read online obituaries last Saturday afternoon. I had a little difficulty to acknowledge her name at first because of her first name and married name threw me off the track. I decided to read her obituary again because I saw "Honaker" among these names. Once I was able to acknowledge "Leeanna Honaker" right in the center of the full name. I was so shocked as I continued reading the rest of the obituary.

I shall never forget your beautiful sister with sweet disposition and sense of humor. I remember the times our mothers and Shirley took us, kids to see "Superman" who was played by George Reeve in Bluefield. LeeAnna had carried her spider-monkey with her. I had to sleep with her and monkey at Shirley's apartment on Maryland Avenue. Later in years, I met LeeAnna at Oxford Square apartments back in the early 1980's. I enjoyed visiting with her several occasions while she was living there for a short period of time.

Here's my deepest sympathy at this sad time. She has passed from our sight, but never from our hearts. You will always carry on golden memories of LeeAnna along with Otis and Inez. You are in my thoughts and prayer. May your wound will heal as the time goes on.

Love, Nancy Jane

“ Jimmy and Connie, you don't know how many times I have wished I could have done more over the last few days. I feel like we have been such a great comfort to each other. As I have told you so many times I will do anything in my power to make this as easy for you both as I can. You both have really made me feel more like family than just a friend. I Love you both. And I know we will be together for along time. Love and Prayers, BJ

“ Dear Jimmy,

I am very sorry to hear about Leeanna. She was a very sweet and kind person and I always loved her smile. The funniest thing I remember when we were little is the time the three of us went sleigh riding down the hill at your house. I tore up my poodle skirt-----now why in this world would I have been sleigh riding in a poodle skirt???? I hope we have grown wiser through the years!!!

Do you remember Mona Cole's daughter, Nancy? She came by this week before Daddy's funeral and she said that she remembered all of us playing together and that Leeanna and I always fought together for her attention. How shocked I was to hear about Leeanna two hours later.

If I can do anything to help you in the coming weeks, just let me know.

I'll see you this afternoon at the funeral services. LOVE, VONDA
