*“ I am saddened to hear of Becky's passing. I haven't saw her in a while and didn't know she had been sick. My prayers and thoughts are with the whole family at this hard time.
I will always remember Becky giving me my first job at the Gold Key and treating me as one of her family. She will be missed. I know she always held everything together and was a very strong person for every member of the family. To Becky and Sissy and Barbara Johnny and Tim please know that God knows best and he will comfort you all . Please know that Becky loved and cherished all her kids. She will shine in her new life she has found in Heaven. God Bless.*
