“ I just found out about Rebecca's passing and I regret not knowing sooner, she and Fugi are very nice and caring people. I only met Rebecca a few times, but she made a lasting impression on me. She was kind to me and welcomed me into her home as if I was her own family. I was able to spend some time with her at the cabin on Bearwallow...I had so much fun there, as a matter of fact my daughter learned to walk on stilks there, I still smile when I think of this and remember the nice time that all of us had, on one visit I even got to see the coal mines. Rebecca may you rest in peace and you are the kind of person that people will miss being in their lives, and I am sorry for her entire family's loss here on this earth. God bless...

“ I am so sorry to hear about your loss. She was such a sweet lady. I can remember back in the early 70's her being our girl scout leader and the first time I met you all at the club house coming to see Ms Buress. She is someone you will never forget. Love you all and send prayers.

“ *There is no way for me to adequately express the support and encouragement I received from this entire family, but especially from Becky Smokey. I was just a lost teenager but she so demonstrated the patient love of Jesus that made you know for certain that God is real, He is nice, and He likes us. Here legacy lives on, her reward is great, her children rise up and call her blessed. Fuji is especially fortunate. We shall all meet again in glory.*

“ I was so sorry to hear of the loss of this sweet lady. My grandmother was Julie Somoskey Belcher. I remember when I was young and Fuji and Rebecca came to visit mom and dad (Hubert & Dot Belcher Kiser) from New Mexico with all the 7 children. What a fun happy dinner we had in Baptist Valley that day! Mom went several times to the reunions at Bearwallow mountain but I never got to go. I sure enjoyed reading her inspirational columns in the paper though. One of my last memories of her was several years ago at the Tazewell Fiddlers convention while my sister Karen was visiting from OK. Boy, could she flat foot and sing! My sister worked with Rebecca via e-mail on getting our family tree together. I am so thankful for her giving us valuable information on Granny Julie's Somoskey family. It is very interesting. Our loss is heaven's gain. My sympathy to Fuji and family. Terri Kiser Farley

“ I went to church with Rebecca for many years and it was always special when she sang. I was honored to play the piano while she played the organ. Heaven has surely gained an angel with an angelic voice! She will be missed. Condolences to her family, especially 'Fugi' and Laura, Todd and their sons. RIP sweet Rebecca.
