“ *Deb, my heart is shattered for you. I'm still trying to process the loss of sweet Regina. Our kids growing up together makes this even harder to accept. I can only imagine the pain you're feeling, but I want you to know I'm here for you, always. Regina was a precious gift, and her memory will live on in our hearts.* ”

“ *Never once did we talk and there was anything bad going on in the world. You always made everything seem as if there were better days ahead and life was amazing. We shared many conversations and memories and i know how much you love your family. Kids. Parents. Siblings. Wherever we were able to meet up, you always made the day better and ill always remember you at universal and disney when i go. Ill never forget how you shared the same passion for halloween and you always appreciated everytime you made it to florida to experience the events. The joy you had and how proud you were at magic kingdom when your daughter performed. You´re an amazing person and mother. Many people will carry on your legacy of how life should be viewed.*
