“ *Shirley & Family , I'm sorry to hear about the departure of Joe. I really know he is in a better place now, I really learned a lot from him, there will be no other person like him. He truly loved the lord & really lived to what he believed & preached. I always loved to hear him sing 'Falling leaves' , & ' I'm a winner either way ' . Well he sure is a winner. Please if there is any thing I can help you with don't hesitate, I'll be praying for you & the rest of the family, that only GOD knows the pain you all are feeling and he will speak comfort to you all. I love you sister Shirley from Maxine Estep*

“ To Donna and family. We met several times in the hospital because my mother was in the room next to your dad. I am really sorry and you are surely on my heart. He and my mother lived their whole life for this time that has come. We have no doubt where they both are. I know they are so much better off, but it is so hard for us whom they have left behind. May God bless you and keep you all strong. Remember-no more suffering.
