“ You had known me since I was a little girl and have been close to my family ever since. I regret not seeing you more in your later years. Your wife Shirley and you were both mentors to my parents and I thank you for the values you taught them by not only teaching but by living as an example. They have been encouraging, understanding and full of joy and I feel as if you had a helping hand. You will be missed, but as Dad said you are there now. You have lived your life in a way to always give God glory and now your rewards are at hand.

Love Always

“ To the Keene family:
I am so sorry to hear of your loss and it truly is a loss. How blessed you are to have parents like Bill and Shirley. They are the true example of what a christian should be. Heaven is rejoicing at the homecoming of Bill and we that are left are experiencing the loss. Shirley and Bill were people of faith and that faith will sustain Shirley through this ordeal and I pray that she has a total and speedy recovery from her injuries and the comfort of God in times when loneliness and loss of her mate overwhelms her. May God comfort all of you and bring you through the days of despair.

“ to: Cindy-n-Larry, Jeff-n-Ginger, Susan-n-Scott-n-little Grace And to our precious Mommy Shirley, we were just so torn apart when we heard of this terrible tragedy, then we were told it took Daddy Bill's life, it put a BIG hole in our hearts. We as Christians know that Dads life has just begun, Amen. But we are human and humans hurt. Will miss dad so very much, when life would infest Jeff or myself with a Boo-Boo, daddy Bill would always know what to say and do and the hurt would go away, and mommy Shirley we love you so much and want you to get well real soon, you too fixed alot of those Boo-Boos, and now life has infested you with a Big one, and we know just the Man who can and will fix it, JESUS. We love you all dearly and are praying for you daily

“ Our heart breaks for your family. Bill and Shirley have been wonderful friends to us and our family. I will never forget the kindness they both showed us during our time of sorrow when we lost our grandmother. They were there to comfort us during her illness and after her death. I will never forget Bill calling me the Monday after Granny died to check on me. He told me that he and Shirley loved us and were thinking of us. He was a special person. Shirley, we are praying for you. We love you!

“ I will miss my brother Bill. He provided comfort and Godly counsel to me in many a trial that I faced. The Word of God flowed from his lips in love and purpose and much seed has been sown by this "last day laborer". Thank you Lord for gracing me with Bill's presence. What a gift!!! Dance Bill!!
