“ *You have my deepest sympathy for your loss. Mrs. Osborne was a wonderful person. She was one of the best neighbors on this street. I know she is in Heaven with the husband she still missed after all of these years and she is in a new perfect body.*

May time heal your hearts. Know that she will be there waiting in Heaven for you to join her.

“ To a dear, precious grandmother, I cannot imagine a better one. Her heart was so genuine, giving, and gentle. She and Poppaw both treated my sisters & I like their own, and we were at their home so much that they were like a second set of parents (Dad knows I mean no disrespect to Mother or him because he also knows that I feel like I couldn't have had better parents and I love them with all my heart.) Not once did I step in their house that they made me feel like they were anything less than happy to see me.

There are not enough words to show my appreciation and love for such a precious grandmother. I knew she wouldn't be with us for very much longer but it still hurts to know she is gone. I also know she is where she wanted to be for so long. I cannot help but smile though, when I try to imagine how her sweet face must have looked when she saw her Lord & Savior, Jesus Christ, then her "Greeley" she's been missing for more than 17 years, and so many others! Thank God for such a special Grandmother!
