“ *Quenton, I was so sorry to hear about Rhonda's death. I wish I had knew it sooner I would have tried to come to the funeral home. I don't know if you remember me or not but I renyed an apartment from you and Rhonda on 1st Street when you owned them. Rhonda and I became good friends whilw I lived there. I moved in the apartment in 1995. It's been a long time ago but I remember what a kind, sweet, helpful and understanding person she was. I don't know what happened to her but she died way to young. She was so full of life and always tried to help everybody. We were both nurses so we had that in common. My prayers are with you and your family. She will really be missed by all who knew her. Take care of yourself.*

“ *I am so sorry to hear about Rhonda. I went to nursing school with her at the vocational school in Grundy. Everyone that met Rhonda automatically accepted her as a friend. She was loved by everyone that knew her. She always had a smile on her face and could always do something to make you laugh. My thoughts and prayers are with the family. May God bless you and help you through this difficult time.*
