“ For Richard's family I just wish to say that I remember him from many years ago, when he was just a young man, teenager even, working in the theaters for his father. Likely you would see him doing virtually anything from stocking and running the concession counter to running the projection machine that showed the movies. Just like anyone else who ran those machines he was "BOO-ED" when they went "on the fritz" as they did frequently. I never had a chance to speak with Richard after he went into the "siding business" but I consider him to be a deeply rooted member of the Richlands "fundamentals" when you think of the folks who contributed deeply to all that caused and allowed that town to function. He will be deeply missed by all those who knew him well and loved him as a friend. His family is acheing now with his loss....but remember his life and how he lived it. You will never hear anyone speak badly of him. God Bless him and allow him to rest in peace.

Love Lives On

*Those we love are never really lost to us--
we feel them in so many special ways--
through friends they always cared about
and dreams they left behind,
in beauty that they added to our days...
in words of wisdom we still carry with us
and memories that never will be gone...*

*Those we love
are never really lost to us--
for everywhere their special love lives on.*

Our thoughts and prayers are with you!

“ *What a wonderful person. He and Betty were the two most wonderful people in this world. Loved stopping into the storage office and talking to them both.*

Great opinions about this town, country, how things should be done and how they would have done it.

Richard and Betty were both proud to be Americans and that Richard served his country proud.

The children and grandchildren brought a smile and a story to tell when you saw them. Loved to show the pictures of the children.

We will miss them, but to know they are together walking hand in hand brings a smile to my face and heart.

“ Liz and family, So sorry about Richard.
I took a screen from one of my windows over last week to be repaired and the man told me Richard had fallen and cut his ear. He was always good to the people he did business with. He will be missed very much. Wish I could do or say something to ease your hurt. Just wanted you all to know I am thinking of you.

“ I feel like the ground is a bit shaky tonight. Richard added a safety net for our family. You didn't have to talk to him every day; you didn't have to see him often; you just KNEW he was there. His home, his heart was open to you. A favorite question was always, ? Do you need anything?? The ?family? home was open to us always; the gatherings during Christmas and the Fourth of July will never be forgotten. He was always the life of the party. His first love was family and he had every right to be so proud. He will always live in their hearts and in continued family traditions. Hopefully his family and friends will find time to communicate to his three children all of the stories and wonderful gestures he made so that those memories can be retold to his four beautiful grandchildren. The extended Flanary family has had several heartfelt losses in the last few years. Our prayers are that they have reunited in Heaven and can feel the difference that they made here on Earth. To Richard, Betty, Nelie, Peg, Bud, Jean, Tommy, and my Dad: We will continue to love and miss you. Kathy
