“ *I am so sad that he has passed. He gave me three beautiful children who love him. My children are the best of our lives!!! I am so very proud of who they have become! I am so sorry that his parents feel all that pain! I love the both of them dearly and I hurt for them! I think he was very proud of what we accomplished! I really hate that my children had to feel that kind of pain for someone that they loved so much! I love them and they are the biggest blessing in my life!!!! Thank you Gaynell and Elmer for being loving parents!!!! I hurt for you guys and my children!!!*

“ *The world truly is a bit duller with my father gone. My dad was a character! He always made others smile. This isn't goodbye, Dad, but see you again one day. ❤️*
