To "Bubba's" family I am so sorry to hear of his passing. Many memories through out the years. I met him through real estate when he called me to list some land. If he liked you you had a friend for life. I had not seen him much through out the last few years because each of us had health issues but kept us in quiet a bit. I just mentioned him on Sunday as my husband and I passed where he lived on Earl's Branch. How ironic, I did not know he was in the hospital and had passed on Sunday. Cherish your memories of this great guy. You will be in my prayers.
