“ To Samm and Chris Parham:

Although we did not get to meet your father, we are sure he was a wonderful man. He has begun his journey with God and know that he will always be with you wherever you go. He brought into this world a daughter that grew up to be a loving and caring Daughter, Mother, and especially a Friend. Your family is in our thoughts and prayers. If there is anything we can do, please let us know. God Bless-

“ *As we look to the heavens,
the sun radiates a golden
beam of light,
The wings stretch out long
and wide,
as the eagle soars above.*

*The Lord took you away
from our lives,
but not from within our
hearts.*

*We dream you are near,
with wings stretched out
long and wide.*

*As you look down from
above,
knowing we are still loved.
An angel is what we see,
looking out for you and me.*

“ *What an honor and privilege to have had David in our family for the past 38 years - He has always been an outstanding Father, friend, uncle and a wonderful Brother - his leadership and kindness shows in his children, how proud he was of those children, and what a wonderful job he did in raising them. I will miss you David, but you have blessed our family with five wonderful children and several grandchildren and through God's graces we will meet again. - To my nieces and nephews and their children, I love you and am so very proud of you - May God give us all the strength to endure our loss.*

“ Words are inadequate when death touches our lives and we must face each day without the ability to see and talk to Dave. He was a great man. We grieve with you and pray for the Lord to wrap His loving arms around each of you. We love you and we are only a phone call away.

“ I did not know Mr. Kinder but by my acquaintance with his daughter Corrina I have concluded he must have been a good father to raise such a fine daughter. My thoughts and prayers go out to all of his family. Time will ease the pain, but never let go of the memory.
Respectfully
