“ Robbie you will always be in my heart... We grew up together gone to church together... Janet (mom) Gene (Dad) and yourself took me in alls home whenever I was 13 years old and treated me like family a family I only dreamed about... It was then that you were my best friend and brother NOBODY and I do mean NOBODY WILL EVER TAKE YOUR PLACE... I love you Robbie I will never forget you... There's only one thing that gives me hope is I know I'll see you again someday... Until then I love you as you watch over us...

“ I’ve thought a lot about how to write what I wanted to talk about but every time I try I get overwhelmed with all the memories of me and bri hanging out with her dad, if it’s wasn’t fishing it was riding bikes through town and if it wasn’t that then it was listening to him play guitar in the living room while Cassie sang.. I will never forget how sweet, kindhearted & amazing he was. He was a very thoughtful person and I truly send my thoughts and prayers to all who knew him❤️

“ I will forever hold u in my heart Robbie u are like a brother to me. More so than my real brothers. Almost every childhood memory I have includes you. We were stuck together like glue. We shared so many laughs and so many tears as well. We saw the one another at our worst and our best. Never did we turn on one another. You had a heart of gold and you still had so much life ahead of you but I know God had much bigger plans for you. This isn't goodbye you know how we do this. It's see ya later. I love you and the world will never be the same. I'll miss u but I know u are in a better place. Hug my mamaw and tell her I love her so much and I sure could use one of her big hugs right now. Rest in peace Robbie i love you. I'm so glad we took these pics last year

“ I have many wonderful memories of spending time with Robbie when we were younger @ Bro. Bernard's Church. No matter what was going on if at any time I was not feeling well Robbie stayed near by to make sure I was ok. And so many times he wanted to include me when socializing with others. I'll NEVER FORGET HIM... HE WAS LIKE A BROTHER I NEVER HAD!!
