“ All of my life there has been Jack and Chippie~ now Jack has gone on to his heavenly home and although he will be missed~ he wouldn't trade what he is experiencing now to come back here. My prayers are with Chippie, Connie, Ronnie and their families as they move on through this life without a husband, dad, grandad, and friend.

Love to each of you

I met Jack and Chippie for the first time at my Aunt's funeral last March when they provided lovely music, but I had heard of them for years from my Aunt. I know they were/are loved very much by family and friends, and I extend my sincere condolences to all who mourn Jack's loss.
