“ Bob was as personable as his brother and my best friend Joe. Never a cross word with either from meeting in 1974. Born on Nov 20th like Bob but a good bit later (1951). Joe was and is the best friend I ever had. He, Annite, Chris (and then Kerry Shaye, and those beautiful kids) were such a pleasure to know. Bob was as personable and warm a friend as Joe to me. Bob was particularly helpful to me during those last days we spent with Joe (and as it turned out with Annette). Sorry, I didn't know sooner but have thought of your family every day. Don't get a round very well anymore but love my Penlands!

“ I’m so saddened to hear of Bob’s passing. I have many fond memories of visiting with him and the family, Penland family reunions, and Bob always with his little dog, just like my Daddy (John Graham Penland). Daddy and Mommy always looked forward to their visits with Bob & Ellen, and I know Daddy truly enjoyed talking with Bob about their mutual love of the woodworking hobby. Sending my sincere condolences, hugs and prayers to the family and close friends.
