“ Childhood friends always hold a special place in your heart as does Chipper. Lots of fond memories of growing up together.

To all of brothers and sisters, and family, may God give you a special peace during this time of grief. I have company and will be unable to attend tonight, but my prayers and love are with you all.

“ I would like to extend my deepest sympathy in your loss. I had the pleasure of meeting Chip when I was in the Richlands area in the early 90's and I saw him once or twice after that when he worked in my area. I especially remember his kindness and that he was always ready with a smile.
God Bless you All.
