“ My brother Chris Neeley and myself Brandi Neeley Burton had allot of memories of Hotrod. He was crazy and wild and if I think of how he would want to be remembered I believe he would want to be remembered as a loyal and true friend. There isn't anything he wouldn't do for you if you was his friend. People aren't like that these days. I'm sure many wouldn't have great things to say but as for me and Chris he was a great friend and I can assure he will be remembered and his memory will live on in our crazy youth memories. Love you Ramrod truly a loss.
