“ Dear Betty, Martha and Family: I am sorry to read about the loss of Mr. Rill. NEver a good time to loose our loved ones, but esp. true at Christmas!

I always enjoyed knowing you and visiting at your home and the camp over the years.

My only son, Louis Romano, was shot while serving in Afghanistan. He is still in Walter Reed Hospital, and I am with him in Washington, DC. I would come to the funeral home, if I was able to give you a big hug.

I will pray for all of you! While you loss is hard, remember his reward is so glorious!

Thanks for the phone cards for the USO. Trust that as a family who has been away from home for almost two months, and a parent of a son who has been overseas over two years, this is so wonderful for you to do. My son called me on a phone card just two days before he was shot! AMAZING!

May the Peace and Love of our Lord give you comfort. Hugs and more hugs from me.

“ I remember when we moved Roland and his family down to VA, it was one of the best times, the house wasn't much but the love that was there for family and friends was abundant. But most importantly his love of God shown through that it made me see for the first time the true meaning of being a christian. He will be missed even though the family might not feel this, because we have lost touch over the years, Roland and his family are one of my fondest memories.

Love Betty
