“ *Nancy, I am so sorry for your loss. I didn't know Ronnie personally, but heard so many good things about him from Ginger. He was a very talented and caring young man. Know that I am thinking about you and Ginger.*

“ *He will always be remembered as you share the stories and the memories of how he lived his life and how very much he meant, may you find comfort...And, throughout this difficult time, may you also know the deep sympathy and concern that is felt for you and all your family. All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.*
