“ *Ronnie was not only family he was also my closest friend. He has helped me through the last 20 years. He was always there for me through thick and through thin. No matter what obstacles life threw at me. I wouldn't been able to get through my husband's death without him. Ronnie was the type of person that would give the shirt off his back to help someone in need. Always tried to see the best in people. He had such a big heart. Selfishly I wanted him here even though I knew he was so sick and his days were getting shorter. I know he is no longer suffering and he is with his children who he suffered daily after losing. My heart goes out to Ron Jr & Lisa that are left behind.*

*I will forever miss you Ronnie and I will always love you.*
