“ So sorry to hear this. Wish we could have been there with you. I can't imagine what you are feeling, but you are in our prayers and thoughts. My sister lost her husband a month ago and so I know how hard it is for you. Wish there was something we could do or say to make it better. Love you.

“ Ronnie was a good kind man that was a even better friend to anyone who knew him. It sadden us to learn of his passing. If there is anything we can do to help you all out during this rough time please don't hesitate to call on us. It's hard to understand sometimes why things happen the way they do and most of the time it just doesn't seem fair. We will be praying that your family (and all of us friends) eventually find comfort in the fact that Ronnie is now home with our Lord.

“ Myrtle

Words can not express how sorry we were to hear about Ronnie. Seems like only yesterday that Ronnie & Gary and our kids were playing together when we lived there on Fourth Street/Buchanan St Then we worked together for all those years @ Mattie Williams & Washington Square Clinic, you seem like family. We watched each others children grow up.

We will be praying for you, his wife and his entire family. May God give you peace and comfort in this most difficult time. And may He give you wonderful memories to cherish until you see him again in Heaven. Would love to be able to be there in person. Love you our dear friend.
