“ *We always remembered this, in particular, about Ron: Each time we drove to Richlands for a visit to all our relatives, Ron, especially stood out. He always greeted us with one of his "life-stories"; and, it wasn't until he reached the end of the story, that we realized that it was another one of his funny antics in story-telling. We were so amused, that we would untirely sit and laugh while he continued to tell us more.*

God bless you Ron for making us laugh. With lots of love and sweet memories for the time we all shared together.

Love, Bessie, Jeanette, Raymond, Sandy, and our families

“Dad was the light of my life. Even as a little girl, I remember him making me laugh. He had the best sense of humor that rubbed off on anyone that was near him. No one was upset around Dad for too long. Dad was always so caring to all of his children. Dad-Your love, your patience, your understanding, your wisdom and your amazing sense of humor will live on inside us forever. You have given us gifts that are more precious than anything in this world. You will always live on in my heart.
