“ I am so sorry and completely tore up about this. I just found out and no one knew anything about the arrangements so I got on this web page that someone told me about and found it to be true. I want to come so bad and would have if I knew about it sooner. I love everyone of you and will have you in my thoughts and prayers. Kids be good to moma. She is going to be so alone. Give her a little extra love and attention because if it is anything like my mother was she will be terribly lonely and when she is gone you will really feel the loss even more. Give her a big hug for me and tell her I LOVE HER very much. Losing my 2nd dad is almost as hard as losing my real dad. He was every much of a father to me as my own was. I dearly loved him. Sue
