“ We were all so sad to hear of your losses and want you to know we've been thinking of you throughout this time of sadness. I know you are all exhausted and numb from the last 2 weeks. I wish there was something I could do or say to help you feel better. The hurt and sadness will ease in time, but Roxie will always be with you in your hearts and minds. Try to remember her smile and laugh. from time to time you will feel her presence in your life and know she is smiling on you from heaven. Please let me know if there is anyway I can help.
