“ *Everett was my best friend and more. Someone that i will never forget. He was a dear friend that i could talk to about anything and he would be on my side no matter what. I could count on him for anything, Over the years we would talk and visit no matter what was going on in our lives. I wish i could have said, love ya' one more time. I took it for granted that we would visit in July. Now i only have my memories of him. Many years ago, Everett welcome me with open arms and from that day forward he was my Hero. And for that he will be blessed. Only He and God know why. He will truly be missed. I loved Him like no other, May God keep you now,*
