“ My prayers and condolences to Tasha and the kids, along with the rest of Roy's family. I keep thinking back 20 years to Science class, all of us together, where I was fortunate to witness to beginning of Roy and Tasha's lifelong love.

Roy, was my friend, He was one of us... A Yukon Boy, back when that meant something. We were all brothers, either by blood, or by choice. I sure hope that him and Keith are up there together, maybe they even have a store porch to chill on, waiting for the rest of us.
Yukon Forever.

“ Each and every moment of our more than 20 yrs together, our wedding day, the births of our two children. Our first home and waking up to his beautiful face every day. His excitement when mountaineers would win. His approach at being a great dad and how wonderful of a husband he always was.his amazing smile and booming laugh. There is just too many beautiful moments to post. I love you for eternity love.
