“ *Dear Tabby, Wanda, Howie and families,
Seems like such a short time ago we were growing up, laughing, crying, playing and sharing great times. Times like this make us reflect on those special memories. I am thinking of Ruby with warm thoughts and those great memories and I know God is taking care of her now. May God wrap his arms around you and comfort you in your time of need. May you have much comfort in knowing others are thinking of you and praying for you. My heart feels your pain. Have comfort in knowing how wonderful it will be should we all meet again in heaven and never have to say goodbye again. Please let us know if there is anything we can do to help during this difficult time. God Bless you all.*
