“ He was a kind hearted man and a sweet patient. Mrs. Ray, you can be comforted to know he is asleep and resting with with the Lord. You can also rest knowing you gave him excellent care in his final days. Bless you!

“ Uncle Rufus would always light up a room when he came in. His quick wit and humor will be miss. He always had a way with making us feel special. My love and prayers go out to you all.

*"So with you: Now is your time of grief, but I will see you again and you will rejoice, and no one will take away your joy."*

“ Uncle Rufus was always very kind to me. I remember him from when I was a very young girl. He would look at me kind of out of the corner of his eye with his chin raised a little in the way he did & motion for me to come over. If I gave him a hug, he would hand me a quarter or a piece of candy. I always gave him a hug. Our hugging was a habit we never broke. I hadn't seen Uncle Rufus for a very long time, which I regret, but I'm so glad he's no longer having to struggle to breathe.

*My love, prayers & sympathy go out to Aunt Na, Frankie, Marvin, Tim & their families. I also extend my sympathy to his sisters & all the many people who were close to & loved this sweet man.*
