“ *What a blessing Sadie has been to us. We had the opportunity to visit her on several occasions with Wanda (my sis). Oh how she loved the good songs and I tried to sing Amazing Grace until the end. She left the sweetest testimony for all of us to learn and live. She had so much love to give and asked so little in return. Will never forget her and we sincerely loved her from our hearts. May God give you the comfort and Bless each of you. We miss Sadie already, yet we know where she is. Love, The Greens*
