“ Dearest Crystal,Samantha & Family,
Of course I never had the privelidge of knowing your father/grandfather, but I know the kind of wonderful people you both are, which is a reflection of what type of person Mr. Stevenson was. I am so sorry for your loss, but please hold the wonderful memories you have of him close in your heart and it will help you get through these hard times. I will keep you and your family in my thoughts and prayers. Please hold the hope of seeing him again close in mind. He is at peace now, and no longer in pain. I love you dearly!

“ Uncle Sam was always kind to me as a kid when we visited them. I haven't seen him in a long time but one thing that will be etched in my mind when I think of Uncle Sam is his MUSTACHE! He was one of a kind and will be missed by many.

“ My sweet daddy was so very dear to me. I am so blessed to have been a part of his life. I am the woman I am today because of him. My dad taught me alot of things about life, but the one most that stands out is not to take each day for granted, we are not promised another day. Just to know that my earthly father is now with my heavenly father makes me know that now he is not suffering and is not in pain any longer. God has him and is holding him for me. One day dad we will see each other again.

“ My papaw was the best man I have ever known. He taught me so much about life and showed me how to do so much. He always loved to be around his family and friends and enjoyed being outside all the time. Also He was a very stubborn man and passed this along to me. No matter what he was dealing with he always put others first, he was the most unselfish man I have ever met. He was very brave and there will never be another like him. I loved him so much and will miss him terribly. As much as I will miss him I am glad he is no longer suffering and is in heaven. I love u papaw more than you will ever know, you will always be in my heart! Love your punkin!
