“ I just heard of Sandie's passing today. I have fond memories of her and our childhood and teenage days. We had some good times and some rough spots that we created for ourselves but we remained friends. I think of her with a smile and just want the family to know how sorry I am for the loss.

“ John, Pat, Velma, and Tina I am so sorry to hear about Sandy. I know if it weren't for you all and mommaw Grove I would not have so many wonderful stories to keep dear to my heart about my dear little daddy. I could not remember him but each and every one of you all gave me a piece of him that I will cherish for the rest of my life. What can I say. I grew up in a wonderful neighborhood and loved having each and everyone of you all for my neighbors and best of all for my friends. I will keep you in my prayers. I love you all.

“ *My Deepest Sympathy, My prayers and thoughts are with you. May the peace which comes from the memories of love shared, comfort you now and in the days ahead.*

*Good Bye My Friend
Till we meet again
Time has passed
in many a days,
Years have gone
and went away.
Seasons change
as we do to,
But I?ll never forget
knowing you.
You were so kind
with all your words,
I will always remember
those I heard.
The things you asked
were never harsh,
And you showed concern
from the heart.
Father has called you
away from this time,
I thank him for you
as a friend of mine.
Peace will now be
at your side,
As you walk with him.
I Love you dear friend*

“ *My heartfelt sympathy to all of you--
Sandy was a very special person to me and to my family, she
always had a way of putting a "different spin" on things that would
lead you to believe that most things we worry about don't really
matter in the big picture of Life.
Sandy was a good person and although she may not have always
showed her emotions, she felt deeply.
Love to all the family...
