“ MY most memorable moment was when Sara, Gary, and i decided to have a seance(we were teenagers and trying to entertain ourselves) at the kitchen table in their first trailer.i mean as SOON as we started talking a big transformer blew right outside and i can still vividly remember the looks on their faces to this day.lol. we all sort of grew up in that trailer together!

“ *My memory of Sara- is that she was had that big beautiful smile, that beautiful red hair, and the most sweet loving heart! She never had a harsh word! I remember all of our times cheering and hanging out with Kathy, Katelynn, Will and Josh and of course Gary and the infamous UB21!!!! I remember when Kathy called to tell us about all the girls being born!!! How strong she was when she had the twins! I am truly blessed and thankful to have been blessed by her smiles, hugs, friendship and love! May you rejoice, sing and dance in Heaven and continue to shine that beautiful light that you brought to everyone you met! I love you!*
