My heart is absolutely broken living without you. My God how I miss you so. I can't believe it's been almost 10 years, it seems like just yesterday. At least now you have Bruce to joke around with. I love you both so very much, and I will see you again some day.

“ *I have many memories of Saul in Berwind. I just heard today and it saddens me to think of losing such a kind young man. I am Kevin Riley's mom.*

“ I'll always remember you as the smiling face with the joking attitude that was usually found following me and your Sister April around.

You were always trying to make us laugh and I loved that about you.

You will be forever loved and forever missed.

“ Monty, Jeannie and Family,

There are no words that can express my sorrow in the passing Saul. Anyone who came into contact with Saul was immediately drawn to his love of life and happiness. I will miss his infectious jokes and laughter. I love you all and I'm always here if you need a shoulder to cry on.

“ *Saul, I prayed for you. I didn't expect to not see you again. I sure am gonna miss you. Your heart was so sweet toward your family. I won't ever forget your voice, I certainly won't forget your love for your family and you'd better believe I won't ever forget your hugs. I will always see you at 6 years old running around granny and papas makin us girls scream and then grabbing us for a hug. You were a special fella to our family and there will be a Saul sized hole in it now. I love you cousin.*
